

NOTICE

SCHOOL OF COMPUTER SCIENCES' STUDENT ADMISSION FOR SEMESTER II, ACADEMIC SESSION 2020/2021

- 1** The decision of School of Computer Sciences (CS) during the Virtual Session with CS Students (Undergraduate & Postgraduate) on 25 and 26 January 2021 for student admission for Semester II, Academic Session 2020/2021 is **VOID** following the Media Statement by the Ministry of Higher Education (MOHE) on 31 January 2021 which have decided that only six (6) categories of students are allowed to return to campus for teaching and learning (T&L) for Semester II, Academic Session 2020/2021.
- 2** CS has decided **ONLY** CS students for the following categories are allowed to return to campus for T&L for Semester II, Academic Session 2020/2021:

CATEGORY 1

To fulfill the course requirements for face-to-face (F2F) T&L. This course have been identified by the lecturers.

- Final Year students who have been identified to complete the FYP and the need to use the lab.
- Students for course CST432 – Microprocessors & Embedded Systems.
- The list of students as per Appendix 2.
- The entry and exit date will be determined by the course lecturer.
- Students in this category are required to stay on campus throughout the F2F period.

CATEGORY 2

Students who do not have access and conducive environment for online T&L. The list of students as per Appendix 2.

- 3** The concerned students from Category 1 and Category 2 will be contacted by the school about the return date to campus.
- 4** Other students who are not listed in Category 2 may apply to return to campus by completing Form A via the Campus Online portal. Please refer to the procedures and manual in Appendix 1. All applications are subject to approval from the Dean and Nerve Centre. Upon approval of the application, students will be informed of the date allowed to return to campus.
